"The Singing Mailman" Update

Larry Dalberg would like to thank everyone for the heartfelt thoughts, prayers, cards, flowers and phone calls. It has meant an awful lot during his recovery time.

He still needs your continued prayers as he moves on through his recovery. His ribs are getting better and they hope to re-look at removing the halo the first part of September and replacing it with a neck brace. He's hoping to be back September 21 & 22 in the Lodge. He's getting impatient to get back with his Moose Family. We love you Larry, and anxiously await your return.

**THE SENDERS ARE BACK
FRIDAY, AUGUST 10TH !!**

The upstairs ballroom will be “rocking and rolling” on August 10 with great classic music from the 50’s, 60’s and 70’s, played by the Senders. The Lodge had a packed house when they were here in July. Hope to see you there. We appreciate all the people who came out and supported the event, from the dance & drinks, to the auction and other events throughout the evening. Kudos to all the people who helped at the door with check in.

For the dance, we’ll have some summer-time surprises, so come check it out. If you have some time to help out at the door, please contact Kathy at 758-4866 so a schedule can be made up.

JUST A NOTE!

Please if you are using the ballroom for any activities, please do not crank the thermostat down below 70. When this happens it freezes up the air-conditioning unit. This happened at one our recent events and created a huge problem and leak in the ceiling. We can't afford expensive repairs for anything in the Lodge. We've had too many projects that were supposed to be free and turned into several hundreds of dollars in repairs. If anyone has cooking, plumbing, electrical, construction, or other expertise and can volunteer a few hours, please talk to your officers or call the office at 758- 6292, leave your name and contact information. The Lodge could save lots of money on repairs if some volunteers would step forward. Please think about this.

Thank you to the courageous people that tirelessly donate countless hours and money to ensure the survival of our Lodge. You know who you are!

Be a part of the solution, not the problem.
Volunteer!!!

New Flag

A big “Thank You” goes out to Bob Barbee who brought us a new flag to replace the old worn out one.

Special Kudos!!!

Thank you to Kellie Nigro and Alvie Aguilar for all the extra volunteer time they have been putting in on the women's bathroom. This has ended up being quite a project because of all the layers of different paint on the walls. Also thank you to Justin Glass, Sandi and Norm Hill, Don Margardo and Merle Cox for the tile work and toilet installations. The Lodge is forever grateful for all these members that don't ask for any kind of monetary reimbursement for the hours that they give to help us out. We always need more volunteers. Let us know if you can help, by contacting one of your officers or leaving your name or number at 758-6292.

A “big thank” you to Steve Carlson for traveling to Florida to be our representative at International Moose convention in Florida.. He volunteered to attend with out reimbursement. The Lodges are required to send a representative to the convention. Steve has been maintaining the web site since the beginning of the site. He recently donated some great Nascar memorabilia for the summertime auction we had and a great Nascar Flag for the Lodge.

**Contact the Lodge
about Loved Ones.**

Please take the time to contact the Lodge if you have a loved one, or friend that is sick or has passed away. This would help our officers to get in touch with you to see if we can give some assistance or send out a word of encouragement. Let us know if the loved one's or friend's memberships have been dropped as a result of monetary hardships, or because someone has had to go to a care facility, there may be something we can do. Call the office at 509-758-6292 and please leave your name, information and a phone number so we can get in touch with you. Usually the case is that we don't find out about situations like this until it's too late to help. Don't just assume that we know about these situations, With almost 1200 of our members living in many local communities and across the United States, such information takes a long time to reach us sometimes. Please contact us, so we can help.
