SOCIAL QUARTERS NEWS

Our officers are back from the WSNIMA Mid-year Convention and had lots to talk about at the 3/18 General meetings. They all admitted to having a great time and being well entertained. We've been told that from now on it is necessary to have permission from our members who have their pictures taken and posted on our Facebook page. We have developed a form that we'll be asking members to sign should they get their picture taken. This means that if you see a camera pointed your way, you'll may be presented the permission form to sign. Please feel free to say no if you don't want your photo visible to the public. We will certainly understand. Our Moose Facebook page is considered a public social media page as it can be accessed by anyone on Facebook. We want others to view it so they can see how wonderful our Moose is and hopefully become a member.
