### From Marcos Dominguez:

As many of you may know I have stepped down as Administrator, and taken on the roll of Social Quarters Manager. This was recommended by Moose International so that my focus could be on the management and operations of the social quarters. In the last couple of months we have made some changes to the control of inventory, security of inventory, and the management of our staff. We have put in new Point of Sales (POS) systems. The POS has helped us keep better track of inventory, beer and liquor sales, and gambling. We have already seen positive results and profit gains. There will be more changes in the future to help our lodge to move forward. If anyone has any suggestions that they think could help, I am always willing to listen. There are more changes coming so come on down, bring your friends, and let us know what you think.

### TWO OPPORTUNITIES TO IMPROVE YOUR DANCE SKILLS

Sundays—Sandi Weaver & Allen Brown will be teaching Western Swing & 2-Step from 6:00 to 7:30, and more advanced dances taught from 7:30 to 9:00.
